PROFESSIONAL EXPERIENCE

Silicon Hills Project – *Head of Partnerships;* Austin, TX — Summer 2026 – Present
Not-for-profit startup house at UT Austin with ~50 student members and a 250-person waitlist
- Pitched Summit House to 400+ VCs and corporates as a pre-vetted talent pool, closing first sponsor Mia Labs as part of $60K raised
- Organized fireside chats and events with Etched, Z Fellows, and Pareto × Rho, Uncork Capital, reaching 1200+ total attendees
- Connected 50+ Austin founders and VCs to the house, securing 12 as mentors and guest speakers for student members
- Screened 200+ applications and interviewed founders for a 30-desk co-working house, managing facility and resident onboarding

Endgame Capital – *Summer Venture Fellow;* Brussels, Belgium — Summer 2026
Pre-seed and seed climate fund writing €250K–750K checks across Europe and North America
- Screened 500+ seed-stage startups across energy, agtech, climate sectors, advancing 30 to watchlist and 20 to call and deck request
- Built automated Harmonic searches across 10 sectors to surface stealth founders, adding 100+ startups weekly to the deal pipeline
- Built Notion and Airtable databases tracking 40+ university partners by fund size, sector, engagement status, and key leaders

Nails by Anika – *Founder;* San Antonio, TX — Spring 2023 – Fall 2024
- Grew a nail business to 30+ clients through social media and in-person marketing at local high schools, generating $1,600 in revenue

PROJECTS AND ACHIEVEMENTS

1st Place, HBA x UFA Case Competition, Sponsored by Deloitte and EY – *Financial Analyst: Oasis Overnights* — Spring 2026
- Executed SEC rule 210.14-02 disclosure analysis projecting $8M insurance gain on destroyed assets, driving team's financial pitch
- Modeled dual luxury resort expansions with 30% EBITDA margins and combined $308M in 5-year projected revenue funding ESG
- Designed proprietary 5-dimension climate risk scorecard reducing portfolio risk by 1.92 points reinforcing shareholder confidence

2nd Place, BOSSO Case Competition – *Team Lead: Texas Athletics* — Spring 2026
- Engineered financials projecting $855K+ Year 1 revenue uplift and 481% W. Basketball ROI via dynamic pricing and fan giveaways
- Architected $0-cost student pipeline leveraging 5 existing sponsors and untapped revenue streams to close $400K+ revenue gap
- Spearheaded cross-team development of official pitch presented to Texas Athletics executive board and Director Chris Del Conte

University of Nebraska Cornhusker Case Competition – *Market Researcher* — Fall 2026
- Benchmarked Omaha (33x passengers) and Lincoln, analyzing surveys 75% of frequent flyers leave, shaping a $28M plan
- Backed each pathway with Rapid City, Denver, Bozeman, and Grand Island case studies, supporting a projected $1.06M surplus
- Re-scoped service within one hour of a mid-case twist, replacing 24/7 staffing with signage and an app (−$350K to +$194K)

anikali.dev, Personal Portfolio — Fall 2026
- Designed and shipped a personal site via AI-assisted development, iterating through 10+ designs to a responsive monochrome build
- Configured a custom domain (DNS records, HTTPS) and deployed live updates through GitHub Pages with Git version control

LEADERSHIP EXPERIENCE AND ACTIVITIES

Texas Diamonds – *Officer Assistant* — Fall 2025 – Present
Official Texas Baseball spirit organization running home game stadium operations and fundraising for nonprofit RBI Austin's programs
- Championed a Trivia Night hosting around 200 attendees, generating $4,000+ for RBI Austin through ticket sales and concessions
- Executed 5+ profit-share fundraising partnerships with local Austin businesses supporting internal scholarships toward RBI Austin
- Coordinated stadium, field logistics, and ticketing operations at UFCU Disch-Falk Field across 10+ seasonal Texas baseball games

Nuclear is Clean Energy (NiCE) – *General Member* — Spring 2026 – Present
50+ member student organization that tours powerplants, educates peers on nuclear energy, and raises funds for sites and advocacy
- Raised $500 in bake and matcha sales on Speedway to fund facility site visits and guest speakers for biweekly energy trend meeting
